

The crabs lay eggs
in the sea.
They do this in spring.
They walk to the sea.
They all go at once.

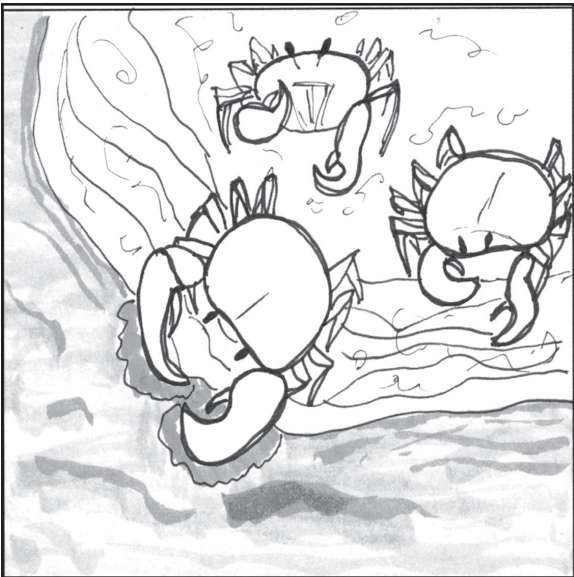

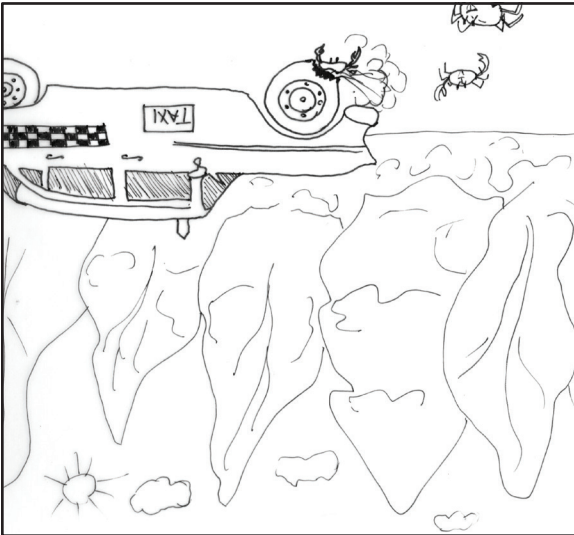

March of the Land Crabs

These crabs live in Cuba.
They are land crabs.
They live on land.
They do not swim.

The crabs walk to the sea.
There are crabs on the grass.
There are crabs in the street.
They have hard shells.
They can pop tires.

The crabs get to the sea.
They go in the water.
They lay eggs.
They go home.
